The 2026 Contoso Benefits Guide summarizes programs available to eligible employees.

Health coverage: Eligible full-time employees may enroll in the Contoso medical, dental, and vision plans. New hires may enroll during their initial enrollment window.

Retirement: Eligible employees may contribute to the Contoso Retirement Savings Plan. Contoso matches 50% of employee contributions up to 6% of eligible base pay.

Learning benefit: Employees may receive up to \$2,500 per calendar year for approved external courses and certifications under CNT-HR-014.

Wellness: Employees may claim up to \$300 per calendar year for eligible wellness expenses.

Benefits enrollment: New hires must complete benefit elections within 30 calendar days of their employment start date unless a qualifying life event or plan rule provides another window.

Plan terms: Insurance and retirement plan documents control if they differ from this summary.
