The Contoso Corporation Employee Handbook defines the core workplace rules that apply to regular employees unless a more specific active policy states otherwise.

Employment standards: Employees are expected to maintain professional conduct, protect company information, complete required training, and follow applicable laws and company policies.

Working hours: Standard office hours are 9:00 a.m. to 5:00 p.m. local time, Monday through Friday. Individual teams may establish different schedules when approved by the department leader.

Paid time off: Full-time employees receive 20 PTO days per calendar year. Employees who complete five years of continuous service receive 25 PTO days annually beginning with their sixth year, as described in CNT-HR-006 and CNT-HR-011.

Benefits: Eligible employees may participate in health, dental, vision, retirement, and learning programs subject to the current Benefits Guide.

Remote work: Remote work is permitted only under the Remote Work Policy and any approved flexible work arrangement.

Reporting concerns: Employees may report workplace concerns to their manager, People Operations, Ethics & Compliance, or the confidential reporting channel.

Policy precedence: A specific active policy or procedure takes precedence over this handbook when the two documents address the same subject.

This handbook is informational and does not replace individual employment agreements or applicable law.
