Approval Authority: Contoso Policy Council

Status: Active

Confidentiality: Internal

Format: PDF

Full-time employees receive paid time off for vacation, personal matters, and short-term rest.

Accrual: Employees receive 20 PTO days per calendar year. Employees who complete five years of continuous service receive 25 PTO days annually beginning with their sixth year.

Carryover: Up to 5 unused PTO days may carry into the next calendar year. Carryover above 5 days requires written HR approval.

Requests: PTO must be requested through the HR system before leave begins except in emergencies.

Blackout periods: Certain customer-critical teams may establish limited blackout periods with department leader approval.

Separation: Unused PTO is handled according to applicable law and the employee's governing employment terms.

For approval requirements, see CNT-HR-019.
